## INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

## History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

#### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

## Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

*Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10*, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Dear Sir. I am sending in Indian claims  
for a share of the money the Cherokee Indians got for their  
land sold to the Government. it is \$268,000 apiece and  
160 acres of land apiece. It will give you over one thousand  
dollars after paying expense of getting it. Look over the  
application and insert your wives age under your age  
if she has a middle name insert the letter between her  
given name and her name. Go to a notary public and  
make oath to it and sign it at the bottom before  
the notary public, and have him attach his seal of  
office to it and inclose five dollars with it and  
send it to me.

Send it back to me or your father as you choose.  
The five dollars is all that it will cost you, but forty  
five <sup>dollars</sup> will be deducted from the ten hundred and twenty  
two, leaving you \$127.00 and one mill square of land.

Last summer I lent Harriett five dollars to send to  
you, I am sending in your Mother's and Harriett's claim  
again as new claims, and I need that five dollars to pay  
on their claims. Don't let anything delay you it is your  
last chance. I will get all of the evidence here.  
I am sending Annas and Morgans claims and if yours  
comes with the five dollars it will go to, but I hope  
you will send ten dollars to help me to send you  
mother and Harriett's. Work at once and make no  
delays.

Dear Sir

Your letter reached me here to day I can not help you as I ~~both~~ know nothing of the proof I have a good many promises to pay my father for his trouble and expense for making them out and sending them in. That Cunningham of Dayton took a good many of them home with him I suppose all he cared for was the \$ 5.00 father advanced <sup>each one</sup> of them I know he paid \$ 65.00 on them at that time because it was my money. If you can locate Cunningham perhaps you can learn something about them. A year before father's death your sister Mrs. Armstrong wrote asking for proof of her birth but as they had never paid the Dr. bill they ran up during four or five years he did not pay attention he had wasted money enough on them she promised to pay him if she succeeded but of course he could not rely on that she had made to many promises to pay bill. I know he wrote to Washington to ~~Secy~~ Secy of Interior if you can find who held that office in 1896 you perhaps will find them on file. If not I think you will have to ~~go~~ begin over. I bind your promise to pay him for the money.

Mrs. J. Strong MARSHALL, MICH., May 10<sup>th</sup> 1905

Dear Madam. I was much surprised to receive a letter from you directed to my late wife. Mrs. Peterman passed on to the higher life two years and a half ago from much misery she died with the same in third shock.

My own health is poor twice I have passed through consumption, and three times through Grippe which laid a heavy hand on me.

I was not surprised to hear of your mother's death she had passed through a great deal of sorrow and suffering. My daughter lives with me and keeps house for me. I hope it that Mr. Armstrong has left you for good. Many changes over to her during life.

These claims are all duly recorded and I suppose laid away in the Secretary's office in the Indian Territory. If Morgan is in the Indian Territory he might learn something about them. Write to him about it. If you have learned anything or heard anything about them please let me know what it is. I am suffering now for the money that I spent to get them and get them registered in the Territory. and I would get a little of it back it would help me in my feeble condition. Please let me hear from you again in regard to this matter. And believe me as ever your friend and well wisher.

A.- My mother's name was Parthena Umphry or Humphrey.- She always pronounced it Umfry. She was born in Georgia. My mother's mother was a full blood Cherokee who came from the state of Georgia to Arkansas where she died. Her name was Mann.

Q. 2- Why were you, your parents and grandparents, never enrolled?

A.-2 I am on the Cherokee Roll of 1880. I always understood that my grandparents were on the Eastern Cherokee Roll.

Q.-3 Were any of your ancestors ever slaves?

A.- 3 They were not. I am of Indian descent and not of Negro descent.

My Commission expires Oct. 2, 1909.

No. 29007

Jennie Parkhill, after being first duly sworn, deposes and says:

I am 59 years of age; was born in Arkansas. I claim Cherokee Indian blood through my mother. I have drawn Indian money twice. I am a Cherokee allottee. My son drew Old Settler money. My mother ~~was born in Georgia~~ was born in Georgia. My son drew Old Settler money through his father. My mother was a half breed. I do not know the names of my grandparents other than that my grandmother was named Ann. My mother was a child about three years of age when she came West. My grandmother also came West at that time. I have heard of my Indian blood all my life.

Jennie Parkhill

SUBSCRIBED and sworn to before me at Bartlesville, Okla., this twenty-seventh day of August, 1908.

Assistant to Special Commissioner  
of the Court of Claims.

Jonnie Parkhill being first duly sworn, deposes and says:

I am 60 years of age. I was born in Arkansas and came here when I was quite small, about a year old. I got my Indian blood from my mother. I got land through the Dawes Commission. I did not get the strip money because at that time I was considered an intruder. I never was an intruder, however. I am on the 1980 roll. My son is Jesse Eldridge and his father was an Old Settler. My mother was born in Georgia. Her name was Parthenie Humphrey or Pumphrey. She married Haney. My mother's name in 1851 was Haney. I have forgotten the time that my mother came West. It was before the war. I don't know my mother's Indian name. Wiley, Anderson and Peter were brothers of my mother. Wiley came West and was killed. Peter Humphrey was my grandfather. John was my grandfather's brother. Never heard of Creacie Humphrey. I have always been recognized as an Eastern Cherokee except at the time of the grass payment and the strip payment, when they left me off of the rolls. My mother was not on the Old Settler roll, although she should have been, because she was in Arkansas when that roll was made. (Applicant knows nothing of her ancestry),

Relative to my Barlin Cherokee claim will say I know nothing of my grand parents they died when I was quite young. I have <sup>heard</sup> my parents say they were part Cherokee and they were heir to some property somewhere but they did not know how or where to apply to claim it. My parents were both unlearned.

I made application just as soon as found out where to apply - which was in July last year when I was informed by my attorney. There certainly <sup>was</sup> more of my ancestor - slaves.

There is no other information that I can think of any more than I am a nephew of Beckie. Elam whose claim is No. 28477.

Sir:

Relative to your application for participation in the Eastern Cherokee Fund, please indicate carefully through whom you claim Cherokee blood. About when was the parent through whom you claim born? Give the English and Indian names of your grandparents on the side through which you claim. State where and about when they were born, where they resided in 1851 and also in 1834-5 if living at that time. Give the names of all of your uncles and aunts on the side through which you claim. If possible, give the names of your great grandparents and great uncles and aunts on the side through which you claim. Where were they living in 1834-5 and 1851? Have you or your parents or grandparents or any of your ancestors ever been enrolled with the Eastern Cherokees? If so, state where and when and under what names. Were you enrolled by the Dawes Commission? If so, state on what roll and under what name. If you have any Indian name, please give it.

Please answer immediately and refer in your reply to CHB, #29026.

Very respectfully,

I am the youngest of 10 children  
I could not tell why even mother

registered my Grand father was  
a white man and my mother  
told me on her death bed  
that my <sup>Grand</sup> mother was a full

Blooded Indian Country  
 and the Blood runs all through  
 you can see by sight  
 was not a  
 me rather than free  
 and rather than to leave  
 Orange County C. C. S.  
 for the southern white man  
 got the word and was  
 called. He then moved  
 to London, Ind. where  
 he had there a lot of  
 Quakers by the name of  
 Lindley and Truebloods a  
 Kebley <sup>and</sup> his  
 parents and my mother's

was some distant kin but  
that are white and they  
not recognize us as the  
children - mother being  
ignorant that she did not  
know about enrolled our  
and little at which was  
distress might have contained  
more evidence as to my  
mother's identity all of the  
family had a father  
the are dead and our  
sister and myself. I should  
like to go back to the  
records of Orange Co. N. C.  
about 1921 that is about the  
time of birth of our mother.  
The record could be located and

It is pretty hard for me

My name is Barbara Fitts. My age is about 50 years. I was born and raised in East Tennessee. I lived there until 17 years. I tried to be and have my case enrolled; (that is enrolled by the Daves Commission.) I am the wife of Francis L. Fitts. I did not make application for the strip money. I got my blood from both mother and father. Cherokee. My mother was Sarah Holt. She was alive the last time I heard from her. ~~xxxx~~ She lived in Arkansas. My mother was born and raised in Tennessee and came West when I was 17. She came here and moved back to Arkansas. I do not know whether she was enrolled in 1851. She is 88 years old now if living. She had a brother named David Holt. There was one named Sam. They did not come West. They died there. My mother got her blood from her father, David Holt. He was born and raised in Tennessee. He was enrolled in 1835, my mother had to do so. I do not know whether he had any brothers and sisters. He lived on what was called Cedar Creek, in East Tennessee. I have no relatives in Indian Territory that I know of. That is as far back as I know of. I do not know whether any of my ancestors were parties to the treaties of 1835. They resided in East Tennessee. I do not know any more of my ancestors. My father was John Seconer of Seconer. He is dead. He died in Tennessee about 15 years ago. He ~~first~~ resided there until he was a grown man. I do not know whether he was enrolled. He got his blood from his father, ~~John Seconer~~ Joe Seconer. He never came West. I do not know whether he was enrolled in 1851. I know of no reason for his not being enrolled. One brother was Will Seconer. I know of no brothers and sisters of my father's father. and says:

My name is Francis M. Fitts. My age is 56 years. I live in Chelsea, Okla.; have lived here 8 years. I came from Arkansas. I was born and raised in Tennessee, until 15 years of age; the Eastern part. I went before the Dawes Commission but they did not enroll us. I did not apply for the strike money. I got my Indian blood from my father, who claimed to be a Cherokee. He has been dead 15 years. He lived in Arkansas. He moved from Tennessee at the time I left. He was about 80 at his death. I don't know whether he was enrolled in 1851, and never heard him say why he was or was not. He never drew any money that I know of. He got his blood from his mother, Cinda Davis; Fitts after marriage. I think she lived in Georgia at that time. I do not know whether she was enrolled in 1835. My father said they were all enrolled. I do not know whether my people ever associated with any other tribe of Indians. Cinda Davis died back East. My father was the first of my relatives to come West so far as I know. I do not know in what year they came West. I have heard my father talk about the treaties but never paid much attention to it. He said his mother and brothers all came West in 1834. I have brothers and sisters: Wesley Fitts, Judas Fitts, Wm. Fitts, and one Joe; Julia Ann, Mary and Sallie. My father had a brother by the name of Richard and a sister by the name of Lucy. John Dock and Daniel Davis were his uncles.

My mother was born in Elberton Co., Ga. My father was born in Georgia, I do not know in what county. My father was owned by white people by the name of Bellemy, who lived in Franklin Co., Ga. My mother was not a slave. My father's people were all slaves, but my mother's people were free. My mother always told me that she was an Indian and that the Cherokee Indians used to stay on her grandfather's place in Elbert County. Her grandfather, John Bray, came from North Carolina. This is all I know about the matter. My people were always recognized as colored people.

Appl. #29071-29 70

Mary E. Jones being first duly sworn, deposes and says:

My name is Mary E. Jones. I live at R. F. D. 2, Lawrence, Ga. I was born in 1868 in Hall Co., Ga. I claim Indian blood through my father and his mother. My father died in 1875 and I don't know how old he was when he died. My grandmother's name before she was married was Luckaby. She was born and raised in Hall Co., Ga. My father and his mother were recognized as white people where they lived, and they lived with the white people. I never heard of them living with the Indian tribe. My great-grandfather James Luckaby claimed to be 1/4 Indian. I never heard whether he ever lived with the Indians. My great-grandfather James Luckaby got some land I don't know how, but it was before he was married. It was near Flowery Branch, Ga. I have heard my father say something about the Indians being driven away. All I heard about it is that grandfather would tell grandmother when he got mad with her that she was an old Catawba Indian. They never told me why the Indians were driven away from here as I can remember. I never heard them say anything about my great-grandfather only that he was 1/4 Indian.

1870-1871

The first year of the war was a year of great suffering and hardship for the people of the North. The Union army had to fight the Battle of Antietam, which was a tactical draw, but it showed that the Confederacy was not invincible. The war continued for four more years, with the Union eventually winning the war.

The war was a turning point in American history. It ended slavery and established the principle of equal rights for all citizens. The war also led to the Reconstruction era, which was a period of rebuilding the South and integrating African Americans into society.

1. The first step is to identify the key components of the system. This involves understanding the hardware, software, and data involved in the process.

The figure consists of 15 small diagrams arranged vertically, each showing a mathematical expression or function. The diagrams are as follows:

- $f(x)$
- $f'(x)$
- $f''(x)$
- $f(x)$
- $f'(x)$
- $f''(x)$
- $f(x)$
- $f'(x)$
- $f''(x)$
- $f(x)$
- $f'(x)$
- $f''(x)$
- $f(x)$
- $f'(x)$
- $f''(x)$

The diagrams illustrate the iterative process of finding the minimum of a function by using the first and second derivatives. The sequence shows the function value and its derivatives at various points, leading to the identification of the minimum value  $f_{\min}$  and the corresponding  $x_{\min}$ .

Annie M. Curry,

Coffeyville, Kansas.

Madam:

Relative to your application for participation in the Eastern Cherokee fund, was your father enrolled in 1851? If so, under what name? If not, explain why?

Give the names of your grandparents on both sides and state whether they, or any of them, were ever enrolled?

Were any of your ancestors ever slaves? Were any of your ancestors Old Settlers?

State clearly all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

Special Commissioner.

Hipporah Duncan, after being first duly sworn,  
deposes and says:

My mother was the Indian. My father was a  
white man. My mother came here before I was born.  
She did not come with the Indians. My mother was born  
in Duncan County, N. M. My mother never got any  
Indian money from the government that I know of.  
She has never gotten any since I remember and I  
never heard her talk about getting any. My mother  
did not speak the Indian language. She went to school  
very little. My mother's parents live in Arkansas.  
They came out since the Indians were brought. My  
grandmother is the Indian. She never got any Indian  
money that I know of. I never got any land out here.  
I tried to get an allotment. I have never gotten any Indian  
money.
